Names of God, Numbers and Seasons

In church, we sing and shout about Jehovah Jireh, Jehovah Shalom, Elohim, and El Shaddai—but sometimes we don’t slow down long enough to ask, “What does that really mean?” This bonus “Bible Basics” section is designed to help you connect the dots: the names of God, the meaning behind numbers like 3, 7, and 40, the harvest seasons, and phrases like “the Year of Jubilee.”

God is not distant and generic; He is personal and specific. Think about it this way: my grandmother’s name was Pearl—but depending on your relationship with her, you might have known her as Mama, Mommy, Evangelist, Pastor, Dollie, or Sis. Same woman, different roles, different levels of closeness. In the same way, God is YHWH, Elohim, Abba Father, the God who Heals, our Provider, our Peace, our banner, our righteousness. The more we walk with Him, the more we learn how to call Him by what He has been in our lives.

God is about relationship, not just ritual. He invites us to worship Him in spirit and in truth. So here’s the challenge: What is *your* truth, and what is *the* Truth? How do you really see God—and how does His Word say He truly is? These studies are an invitation to move beyond a “genie in a bottle” view of God and into a deeper, honest, grown-up conversation with your Heavenly Father. He hears. He sees. He knows.

As you explore His names, His patterns, and His appointed times, use this section as a guide—not to impress people, but to deepen your encounters with God. Take notes, ask questions, look up the scriptures, and then talk to Him about what you discover. This is about going deeper and higher in Him, one page at a time.

The Names of God: Understanding the Sacred Language

Bonus Lesson: Foundation in the Fatih

 **Background Text:** Exodus 3:13–15; Isaiah 9:6; John 1:1–3; Isaiah 48:17

 **Key Verse:** Exodus 3:14 (WEB)

“God said to Moses, ‘I AM WHO I AM,’ and he said, ‘You shall tell the children of Israel this: “I AM has sent me to you.”’”

Appetizer – A Sacred Introduction

The names of God are not merely random titles or labels; they are profound revelations of His identity, His power, and His intentional relationship with His people. In ancient Hebrew culture, a name was a declaration of character and destiny. The Hebrews viewed the name of God as so holy that it was rarely spoken aloud to avoid taking it in vain. Instead, they used “Adonai” (Lord) or wrote “G-d”—deliberately omitting the vowel to honor His sacredness. When we study His names, we aren’t just learning vocabulary; we are peering behind the veil of eternity to see how the Creator chooses to be known by us. To know His name is to understand His nature.

□ **CST Reflection:** How do you show reverence and intentionality when speaking about or to God in your daily life?

Main Course – Understanding the Divine Names

Bite 1 – YHWH (יהוה) – The Self-Existent One

The personal name God revealed to Moses is represented by the four Hebrew letters Yod-Hey-Vav-Hey (YHWH), known as the Tetragrammaton. Because original Hebrew had no written vowels, the name was unutterable. Later, scholars added vowels from “Adonai” to form “YaHoVaH”—which eventually became “Jehovah” in English. This name signifies that God is the self-existent,

eternal One who depends on nothing else for His being. He simply *is*. It is interesting to note that there is no letter “J” in the Hebrew language; that sound didn’t exist until the 1500s. Earlier scriptures used “Iesous” (Greek) or “Yeshua” (Hebrew/Aramaic) for the Son.

□ **CST Thought:** God is the only being who is completely self-sufficient. Every other thing in creation depends on Him, but He depends on nothing.

Bite 2 – Yeshua HaMashiach (ישוע המשיח)

“She shall give birth to a son. You shall name him Jesus, for it is he who shall save his people from their sins.” —
(Matthew 1:21)

The name Yeshua literally means “Yahweh saves.” When we say “Jesus Christ,” we are actually stating a title: “Jesus the Christ,” or Yeshua the Anointed One. “Christ” (*Christos*) in Greek and “Messiah” (*Mashiach*) in Hebrew mean the same thing: “The One who is set apart and empowered for a specific mission.” His very name is a promise of deliverance. He did not come just to teach; He came to save.

□ **CST Reflection:** Does understanding that His name literally means “The Lord Saves” change how you pray in the name of Jesus?

Bite 3 – Ruach HaKodesh (רוח הקדש) “The Holy Breath” / “Holy Wind”

The Holy Spirit is known in Hebrew as *Ruach HaKodesh*, which literally translates to “The Holy Breath” or “Holy Wind.” The word *Ruach* signifies the living presence of God breathing life, comfort, and conviction into His people. Just as breath is essential

for physical life, the Ruach is essential for spiritual life. He is not a "force"; He is the third person of the Godhead, bringing the atmosphere of heaven into the hearts of believers.

□ **CST Reflection:** What areas of your life—relationships, career, or spirit—need the fresh wind of the Holy Spirit to blow through today?

The Master Table: Names & Attributes

To know the Name of God is to know His heart. In Scripture, God’s names serve as a roadmap to His character—each title a unique revelation of how He provides, heals, and leads. As you review the tables, allow these sacred names and divine orderings to move from your head to your heart, remembering that the One we study is the Great "I AM" who meets us in every season.

Dessert – The Fulfillment

“For a child is born to us, a son is given to us. The government will rest on his shoulders. His name will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.” — **(Isaiah 9:6)**

No matter how He is named—YHWH, Yeshua, Ruach HaKodesh, or Abba—His nature remains one: holy, eternal, and faithful. He is the “True Vine” (John 15:1), the source of all life. When we call upon His name, we are calling upon His complete character.

To-Go Box

- God’s names reveal His **character**, not just His identity.
- Knowing His name gives us **legal access** to His power in prayer.

Bonus Lesson 10 — Times and Seasons

God's Order in Days and Numbers

 **Background Text:** Genesis 1:14–19; Genesis 8:22; Leviticus 25:8–13

 **Key Verse:** Ecclesiastes 3:1 (WEB)

“For everything there is a season, and a time for every purpose under heaven.”

Appetizer – The Rhythm of the Kingdom

God is a God of order, and the way He measures time is deeply spiritual. While the Western (Gregorian) calendar is solar-based and centers on the seasons of the earth, the Jewish calendar is lunar-solar and centers on the seasons of God's redemptive plan. In Genesis, God stated that the sun and moon were created for “signs and seasons” (*mo'edim* or appointed times). When God delivered Israel from Egypt, He reset their clock, telling them that the month of their deliverance (Nisan) would be the “beginning of months.” Understanding how the Jewish months coincide with our Western calendar allows us to align our prayers and our focus with the atmospheric shifts of heaven.

Main Course

Bite 1 God's Order in Numbers

The Lord has been intentional about each molecule, every atom, even down to the hairs on our head! He know all is in all of creation, they are reflections of his vastness. So, it stands to reason that even the numbers have additional meanings that we will share below.

Number	Biblical Meaning	Scripture Example
1	Unity; Beginning	Deuteronomy 6:4
2	Witness; Agreement	Matthew 18:19

3	Divine Completeness	Matthew 28:19
4	Creation; Divine Order	Revelation 7:1
5	Grace	Genesis 43:34
6	Man; Labor	Revelation 13:18
7	Perfection; Rest	Genesis 2:2
8	New Beginnings	2 Peter 2:5
9	Fruitfulness; Judgment	Galatians 5:22
10	Law; Responsibility	Exodus 20:1–17
12	Government; Authority	Revelation 21:12
40	Testing / Transition	Matthew 4:2
50	Jubilee; Freedom	Leviticus 25:10

□ **CST Thought:** God uses numbers and patterns to show us that He is intentional about the details of our lives. Your current "wait" may actually be a "40-day" preparation for your "8th-day" new beginning. God creates order out of chaos, and these biblical patterns serve as a roadmap for understanding how He moves through time to fulfill His promises.

Bite 2 Calendar & Seasons

While in the western culture we go by sunrise to sunset, the Jews go by sunset to sunrise or rather they follow the moon vs. the sun. Associating the biblical times, seasons and celebrations with our own calendar helps bring the Word to life because it is not just back then but it is NOW.

This first quarter of the year is the season of new beginnings, deliverance, and the giving of the Word and the Spirit. It reminds us that God's priority is always our freedom and our equipment for the journey ahead. The second quarter marks the transition from

the early harvest to the preparation for the **High Holy Days**. Elul, in particular, is known as a month of introspection and repentance—a time when “**the King is in the field.**” It serves as the spiritual “**prep kitchen**” for the new civil year. On the Western calendar, this coincides with the heat of summer and the beginning of the school year, reminding us that there is a time to work and a time to search our hearts before the great assembly.

Jewish Month	Gregorian Equivalent	Primary Focus / Festival
1. Nisan	March / April	Passover, Unleavened Bread, Firstfruits
2. Iyar	April / May	Counting the Omer
3. Sivan	May / June	Shavuot (Pentecost / Giving of the Law)
4. Tammuz	June / July	Fast of the 17th of Tammuz
5. Av	July / August	Tisha B'Av (Destruction of the Temples)
6. Elul	August / September	Repentance / Preparation for Rosh Hashanah
7. Tishrei	September / October	Rosh Hashanah, Yom Kippur, Sukkot
8. Cheshvan	October / November	The "Quiet" Month (No major festivals)
9. Kislev	November / December	Hanukkah (Feast of Dedication)
10. Tevet	December / January	Fast of the 10th of Tevet
11. Shevat	January / February	Tu B'Shevat (New Year for Trees)
12. Adar	February / March	Purim (Celebration of Esther's Victory)

The month of **Tishrei (September/October)** begins the civil year with Rosh Hashanah. During leap years on the Jewish calendar, an extra month (**Adar II**) is added to keep the lunar cycle aligned with the solar seasons.

In Judaism, “seasons” are often taught as **holiday cycles** across the Hebrew calendar year (which is **lunisolar**, not purely solar like the Western/Gregorian calendar) here are the scriptural tied references.

Season (Cycle)	Key Holidays / Observances	Scripture that drives the observance
Spring: Redemption	Passover (Pesach) + Unleavened Bread	Exodus 12 (Passover) and the appointed feasts framework in Leviticus 23. (Bible Gateway)
	Firstfruits + Counting the Omer	Leviticus 23 outlines Firstfruits and the count toward Weeks. (Bible Gateway)
Late Spring / Early Summer: Covenant & Harvest	Shavuot (Feast of Weeks)	Leviticus 23 (Weeks) and Deuteronomy 16 (pilgrimage feasts). (Bible Gateway)
Summer: Mourning & Reflection	17th of Tammuz → The Three Weeks → Tisha B’Av	Commonly observed mourning season in Jewish practice (summer cycle). (Chabad)
Fall: Repentance & Ingathering	Yom Teruah (Feast of Trumpets) → commonly tied to Rosh Hashanah themes	Leviticus 23 describes the “memorial of trumpet blasts” (7th month). (Bible Gateway)
	Yom Kippur (Day of Atonement)	Leviticus 23 lists Day of Atonement in the 7th month. (Bible Gateway)
	Sukkot (Tabernacles/Booths)	Leviticus 23 + Deuteronomy 16 (pilgrimage/ingathering). (Bible Gateway)
Winter: Dedication / Light	Hanukkah (Feast of Dedication)	Not in the Hebrew Bible’s Torah section; tied to Temple rededication history (Maccabean era) and referenced in John 10:22 as “Feast of Dedication.” (Encyclopedia Britannica)

Late Winter / Early Spring: Turning / Joy Tu BiShvat (New Year for Trees) A rabbinically defined “new year” for trees (traditional calendar marker). ([Wikipedia](#))

Purim Esther 9 establishes annual observance (feasting, gifts, charity). ([Bible Gateway](#))

Land-Cycle (multi-year “season”) **Shemittah (7th year)** and **Jubilee (50th year)** (Often taught alongside “seasons” because it governs land/rest/economy cycles.)

□ **CST Thought:** Every number and every month is a “Word” from God. When we see the patterns, we stop guessing about our lives and start governing them according to His design.

Reflection

In looking at seasons and what we know now about the difference in the calendar what can you take from this information?

Dessert – The Year of Jubilee Leviticus 25:10 WEB

“You shall make the fiftieth year holy, and proclaim liberty throughout the land to all its inhabitants. It shall be a jubilee to you...”

God’s timing always leads to freedom, not fatigue. The Jubilee was a reset—a time where debts were canceled and property was returned. The Jubilee was a physical demonstration of the spiritual freedom we now have in Christ. In Christ, every day is a step toward our ultimate Jubilee.

□ **CST Reflection:** How has God “reset” your seasons recently? Where do you see Him moving you from testing into transition?

To-Go Box

- **Seasons are temporary**; God's purpose is eternal.
- God's timing is designed to produce **freedom**, not exhaustion.
- Pay attention to the patterns; God often speaks through the rhythm of your life.

Word Study

- **Mo'ed** (Hebrew) – An appointed time, season, or festival.
- **Shabbat** (Hebrew) – Rest; to cease from labor.

Closing Prayer

“Father, thank You for being the Lord of time and the Master of seasons. Teach us to number our days that we may apply our hearts to wisdom. Help us to recognize the spiritual shifts in the calendar and to move in alignment with Your appointed times. Amen.”

Activity – Match the Meaning

1. **50** _____ (A) Completion/Rest
2. **7** _____ (B) Year of Jubilee/Freedom
3. **8** _____ (C) Witness/Agreement
4. **2** _____ (D) New Beginnings
